To make up the card

1. Fold the envelope in half ensuring that the sealed flap remains open on the inside of the envelope
2. On the inside flap, measure 8cm from the left hand side to the centre and snipe the flap in half
3. On the left hand side, fold up the flap and seal closed
4. Keep the right hand side seal/flap unsealed to form your pouch as per the steps below
5. Use your corner rounder to round each of the corners on all the pieces and then chalk edges

Front

6. Measure and cut the paper piece as per the requirements for the front cover
7. Stick the C92 006 Tweet Tweet paper onto brown card
8. Secure the paper stack to the front of the card, add the flowers, birds on a wire, bird, feather, ribbon, bling and sentiment and pearls to finish off

Inside left

9. Measure and cut the paper piece as per the requirements for the inside left
10. Stick the C92 008 Forest Tweet paper onto brown card
11. Wrap the ribbon around the card and secure at the back
12. Secure the paper stack to the inside of the card, add the birds on a wire and pearls to finish off

Inside right

13. Measure and cut the paper piece as per the requirements for the inside right
14. Stick the white card onto the pink card and then onto the brown card and then onto the envelope

Inside right flap - top

15. Measure and cut the paper piece as per the requirements for the inside right flap
16. Use your corner rounder to snip the corners of the flap
17. Stick the Cute Owl C92 006 Tweet paper onto brown card and then onto the flap

Inside right flap - bottom

18. Measure and cut the paper piece as per the requirements for the inside right flap
19. Use your corner rounder to snip the corners of the flap
20. Stick the Cute Owl C92 007 paper onto the pink card and then onto the flap

Insert into pouch

21. Measure, cut and stick together the white card onto the brown card as per the requirements for the insert (*reminder not to stick down the card so that it can be pulled in and out of the pouch*)

Line the pocket/pouch

22. As an optional and professional finishing touch to the card, measure, cut and stick down Cute Owl C92 007 paper piece inside the envelope pocket/pouch created.
23. Use your glossy ascents on each of the eyes of the Owls on the card pieces visible
24. Cut the leftover pieces of paper down to 15cmx15cm, 10cmx15cm, 10cmx10cm and 5cmx5cm pieces and place into your scrap paper storage box for later use to make greeting cards, tags or to use on your layouts. Throw away the remaining small bits and pieces. Enjoy!
